

# How Compassion Can Help!

## Behavioral Health Services for ages 3-18

14.8% of children ages 3-17 in Kentucky received mental health care in the past year; compared to 11.2% of children in the U.S. Nationally, many children with mental health needs do not receive mental health care.

<p><b>What to Expect from Your First Session</b></p>	<p>We try to make your first visit with us as easy as possible! When you come to your first session please make sure you bring the following pieces of information:</p> <ul style="list-style-type: none"> <li>• Social Security Number for client and parent/guardian</li> <li>• Insurance card</li> <li>• Parent/guardian photo ID</li> <li>• Custody paperwork if necessary</li> </ul> <p>The first session is focussed on gathering information and developing an individualized plan for treatment that will best benefit each patient.</p>
<p><b>Our Services</b></p>	<p>Medication Management          Individual Therapy including specialized trauma services          Group Therapy          Targeted Case Management          Assessment and Evaluation</p>
<p><b>Our Hours of Operation</b></p>	<p>We offer appointments before school as well as after school and evening to accommodate school schedules as well as work schedules. We are open <b>Monday-Thursday from 7:00 AM to 8:00 PM</b> and from <b>Friday from 8:00 AM to 4:00 PM</b>.</p>
<p><b>Why Choose Compassion</b></p>	<p>At Compassion we endeavor to provide a positive experience for our patients and their families. Our staff of pediatric mental health professionals have experience and the training to work with a variety of mental health issues. In addition to our experienced staff we offer a safe and welcoming environment. Our office is designed to be engaging, inviting, and comfortable. With specially designed treatment rooms and a parent suite we strive to make our office a place you and your child are excited to visit. We want to end the stigma of mental health and make your experience with Compassion as memorable as possible. Together we can make a difference! Follow us on social media for more information!</p>
<p><b>How to Get Started</b></p>	<p>Parents or patients 16 and up can self-refer or the school can refer on behalf of a student with parental consent. To get started just call our office and schedule an appointment. An intake will be scheduled first then once that appointment has been completed they will be scheduled to return for ongoing services.</p>
